**No Objection Letter for Cylinder Lube Oil (DCA5070H)**

Dear Mr Yang Junjie,

Based on 4,000 hours of testing of DCA5070H with supervision of MAN Diesel and inspection of engine condition at the start and end of tests, MAN Diesel issued a no objection letter in 2003 on the DCA 5070H for use on a two-stroke engine.

The no objection letter contained a condition that the performance of the cylinder oil should be verified - preferably on a large bore engine (80 bore or larger).

The DCA 5070H lube has gone through a 2000 hours verification test on a 12K90MC with supervision of MAN Diesel and inspection of engine condition at the start and end of tests. The lube oil showed acceptable performance and we hereby provide DCA5070H a no objection letter for use in connection with MAN Diesel two-stroke engines.

As the lube oil is neither produced nor sold by MAN B&W, MAN B&W cannot be kept responsible for any damage to engines or engine components that may be caused by the use of a lube oil.

Best regards  
MAN B&W Diesel A/S
